

Citrus® UVA Plus H610 series designed to address people who are looking for Mini PC with multi-functionality needs and niche-performance. A completely customizable kit ideal for multi-tasking computing by giving a smooth and responsive experience. With its compact features and power efficiency it effectively fits in AI computing, Smart Signages, KIOSK and POS.

Features:

- Exceptional Performance for Daily Multitasking
- Superb Three-Display Support and Ultra-High-Definition (4K) Image Quality
- Dual Storage Design with NVMe SSD support
- Multi-purpose & Space saving design
- Easy Upgradability

Citrus UVA Plus

Model No.	Processor	Memory	Storage
H610-PG	Intel Pentium Gold	2 x SO-DIMM DDR4 support up to 64GB	Dual Storage, NVMe +2.5" SATA SSD/HDD
H610-i3	Intel Core i3-12th Gen	2 x SO-DIMM DDR4 support up to 64GB	Dual Storage, NVMe +2.5" SATA SSD/HDD
H610-i5	Intel Core i5-12th Gen	2 x SO-DIMM DDR4 support up to 64GB	Dual Storage, NVMe +2.5" SATA SSD/HDD
H610-i7	Intel Core i7-12th Gen	2 x SO-DIMM DDR4 support up to 64GB	Dual Storage, NVMe +2.5" SATA SSD/HDD
H610-i9	Intel Core i9-12th Gen	2 x SO-DIMM DDR4 support up to 64GB	Dual Storage, NVMe +2.5" SATA SSD/HDD

TECHNICAL SPECIFICATIONS
